Comment. Portions of the **1934** class have been registered
 as early as the spring of 1953; some members of this class were
 registered in the fall of 1952. Consequently, not the whole of
 the class was due for registration in the fall of 1954. It is
 believed that, due to the lowering of the age of induction by
 another year, portions of the 1935 class have also been inducted
 at that time. On the other hand, a large portion of the 1930 and
 1932 classes was due for discharge.
